From October 4 to 10, we celebrate National Catholic Health Care Week across Canada. The Week recognizes the inspiring work of Catholic health care organizations in our province and across Canada. At the heart of Catholic health care is a deep respect for the intrinsic value and dignity of every human being and an unwavering commitment to serving all people, from all backgrounds and faiths—especially society's most vulnerable.

During National Catholic Health Care Week, we give thanks for the courageous gift of Catholic health care during these challenging times—in hospitals, community health centers, or seniors care homes.

The pandemic calls us all to live the healing ministry of Jesus Christ. Holding all those impacted by COVID-19 in our hearts, we ask God to bless the work of Catholic health care and we offer our prayers, support, and encouragement for the people of our Catholic health organizations who care for all in need with compassion and courage.

For more information about Catholic health care in Canada or the week, please visit the Catholic Health Alliance of Canada website at [www.chac.ca](http://www.chac.ca)

**Our Youth Ministry** has gone digital! We will be having weekly online youth nights starting October 2 at 7:00pm for Edge Grades 6-8 and October 3rd at 7:00 pm for Lifeteen Grades 9-12.
