Stewardship Reflection

Count Your Blessings

We celebrate Thanksgiving this weekend which is a time to be more intentionally thankful for the gifts and blessings God has graciously bestowed on us. However, it is important to not relegate our gratitude to solely one weekend a year. As stewards we are called to be grateful disciples of Christ. Gratitude is at the very core of what it means to be a steward.

Cardinal Collins in his *Pastoral Letter on Stewardship** says that “the deepening of the ‘attitude of gratitude’ will enhance our commitment to prayer and Eucharistic adoration, to the flourishing of lay engagement in the mission of evangelization, to an increase in the response to the call to the priesthood and religious life, to a courageous and effective dedication to social justice, and so on.” Essentially, it all begins with growing in gratitude.

One practice that is often recommended to children is to “count your blessings.” There is great spiritual fruit to be discovered through this practice, even as adults. Often times we place greater weight on the few negative things in our lives rather than focusing on the hundreds of blessings. Let us intentionally set aside a few minutes this weekend to concretely identify all of the blessings the Lord has bestowed on us this past year. We can then begin to move from gratitude to generosity by offering up these blessings to our parish community.
