Chalice

Chalice works in impoverished communities to help struggling families overcome the cycle of poverty. Education is the first and most important step in breaking the cycle. Too often, children must skip class or drop out of school to carry water, care for siblings, or earn money for their families.

Sponsorship gives children the support needed to overcome obstacles so they can attend and stay in school and allows families to provide nutritious food and better care for their children. Children are selected for sponsorship based on need and family circumstances, regardless of race, age, ability, gender, or religion. Education gives every child the opportunity to shine.

Become a sponsor today.
